## What do I do with that?

Only certain items can be recycled curbside but some of the items you cannot recycle curbside are recyclable. If you have any of these items, consider dropping them off at a local depot for recycling (consolidate your material to make efficient trips):

- **Plastic bags (and other film plastics):** They can be brought to our recycling depot in Sherwood for free. Many grocery stores also take this material back.
- **Styrofoam:** Agilyx in Tigard is accepting Styrofoam at their location for free. For residential quantities they have a drop box in their parking lot, which is open 24/7.
- **Miscellaneous Plastics #1-7 (clamshells, to-go containers, etc):** Far West Recycling takes any plastic with #1 through #7. They have locations in Hillsboro and Lake Oswego. (Lake Oswego has a \$5 fee to drop off recycling).
- **Oversized cardboard:** If you have cardboard larger than 3' x 3', you can bring it to our recycling depot in Sherwood. It still needs to be flattened and must be 5'x5' or smaller.
- **TVs, computers, laptops, and desktop printers:** These items are part of the Oregon eCycles program. You can bring them to our recycling depot in Sherwood and recycle them for free. They cannot be recycled curbside and it is against Oregon state law to dispose of TVs, computers, or laptops in the garbage.

## Basic list of what is accepted in your blue lidded cart:

- Cardboard (flattened, no larger than 3' x 3')
- Scrap Paper, Magazines, Newspaper
- Tin and aluminum cans
- Plastic bottles, with the neck of the bottle smaller than the base (remove lids)
- Plastic tubs 6 oz. or larger (remove lids)
- 5 gallon buckets, handles ok (remove lids)
- Rigid nursery plant pots, 4" or larger

For a full list of what materials are acceptable in your curbside recycling please visit our website:

[www.pridedisposal.com](http://www.pridedisposal.com)

## Sharps disposal available in Sherwood

Sharps include hypodermic needles, acupuncture needles, IV tubing with needles, scalpel blades, lancets, glass tubes, syringes, and other medical sharps. It is illegal in Oregon to dispose of these items in the garbage. Several local pharmacies have a sharps drop off program and you can bring sharps containers to our office as well.

Oregon law requires that this material be stored and disposed of in red, rigid, leak-proof, puncture-resistant containers clearly marked with the biohazard symbol and sealed for safety. You can purchase these sharps containers at many local pharmacies and medical supply stores. All sharps brought to our office must be contained in an approved sharps container.

We do not sell sharps containers; we only accept full containers for disposal.

The price to drop off sharps containers starts at \$2.50 (minimum charge) and that covers containers up to 1 gallon in size. Larger containers are \$2.50 per gallon (\$2.50 minimum per gallon). All containers must be closed securely before they are dropped off.

Pride Disposal  
13980 SW Tualatin Sherwood Rd  
Monday through Friday  
8:00am—4:30pm.

# DOCUMENT DESTRUCTION

Shred old documents and paperwork securely.

Pride Recycling Company offers shredding services at your home or business, with one time, occasional, or regular shredding. Secure drop off is also available at the Pride Depot in Sherwood. Whether at your home or place of business, disposing of intact confidential information is a risk. Contact us to have it shredded and protect yourself and/or your customers from this risk.

**Pre-paid shred bags for \$5.** Purchase a paper bag (grocery bag size) for \$5 from the Pride office. Take the bag home, fill it with paper to be shredded, and bring it back to the recycling depot to be shredded when it is convenient for you.

Please call Pride Recycling Company at 503-625-0725 for pricing and other information on services available. You can also visit our website: [www.priderecycling.com](http://www.priderecycling.com).
