Do you have large items or a lot of extra material?

- **Extra bags:** You can place extra bags next to your garbage cart on your collection day and we will pick them up curbside. There is a charge per bag and prices vary by jurisdiction.
- **Bulky items:** Large items that would not otherwise fit in your garbage cart such as furniture or appliances can be scheduled for a special pick up. Contact our office and request a "bulky item pick up." There is a fee for this service that varies based on the item(s) picked up.

- **Large amounts of extra garbage and/or bulky items:** If you have a significant amount of extra bags or large items, it may be more cost effective for you to order a temporary container or drop box.

- **Temporary containers:** We have 3-yard and 4-yard temporary containers that you can order for a flat fee and keep for up to 1 week. These containers are great for small projects or garage clean outs. They are about the footprint of a pick up truck bed, but taller.

- **Drop Boxes:** If you have a significant amount of material to dispose from a large yard clean up, remodel project, roofing project, or something similar, a drop box may be your best option. These drop box sizes include 10-yard, 20-yard, 30-yard, and 40-yard (10-yards only available for specific materials).

All of these services are franchised, which means no other company can provide these services to you. The 3rd party drop box companies that you may find online have to contact us to order the service because the area is franchised. Those companies upcharge you for the services that we are providing, which means the price you pay is above the franchised rates set by your jurisdiction. Make sure you contact us directly to avoid being charged more than the rates that have been set in your jurisdiction.

Sharps disposal available in Sherwood

Sharps include hypodermic needles, acupuncture needles, IV tubing with needles, scalpel blades, lancets, glass tubes, syringes, and other medical sharps. It is illegal in Oregon to dispose of these items in the garbage. Several local pharmacies have a sharps drop off program and you can bring sharps containers to our office as well.

Oregon law requires that this material be stored and disposed of in red, rigid, leak-proof, puncture-resistant containers clearly marked with the biohazard symbol and sealed for safety. You can purchase these sharps containers at many local pharmacies and medical supply stores. All sharps brought to our office must be contained in an approved sharps container.

We do not sell sharps containers; we only accept full containers for disposal.

The price to drop off sharps containers starts at \$2.50 (minimum charge) and that covers containers up to 1 gallon in size. Larger containers are \$2.50 per gallon (\$2.50 minimum per gallon). All containers must be closed securely before they are dropped off.

DOCUMENT DESTRUCTION

Shred old documents and paperwork securely.

Pride Recycling Company offers shredding services at your home or business, with one time, occasional, or regular shredding. Secure drop off is also available at the Pride Depot in Sherwood. Whether at your home or place of business, disposing of intact confidential information is a risk. Contact us to have it shredded and protect yourself and/or your customers from this risk.

Pre-paid shred bags for \$5. Purchase a paper bag (grocery bag size) for \$5 from the Pride office. Take the bag home, fill it with paper to be shredded, and bring it back to the recycling depot to be shredded when it is convenient for you.

Please call Pride Recycling Company at 503-625-0725 for pricing and other information on services available. You can also visit our website: www.priderecycling.com.
